Teri Lynn Herbert
Medical University of South Carolina Library

EDUCATION

M.L.I.S.   **University of North Carolina, Chapel Hill** Librarianship and
Information Sciences Science & Medical Information Services

M.S.   **University of North Carolina, Chapel Hill**
Marine Sciences: Microbiology and Chemistry

B. S.   **University of Memphis**
Major field: Zoology/Biology
Minor field: Chemistry
Graduated cum Laude

CERTIFICATIONS

Community Emergency Response Team (FEMA-certified) 2011 (refresher April/May 2015)

Disaster Animal Response Team (FEMA-certified) 2011 (refresher April/May 2015)

FEMA Storm Spotter Certificate, Charleston County Disaster Preparedness Facility and Team 2012

HONORS AND AWARDS

Library Kudos Award January 6, 2021
Library Kudos Award January 23, 2020
Library Kudos Award July 17, 2018
Captain Pride Award (Charleston County) – Individuals/businesses that have undertaken tasks that have significantly improved the environment. May, 2015 (I was the only <u>individual</u> to win this award in 2015)
Applause Award, MUSC, January 2007
Applause Award, MUSC, September 2004
Applause Award, MUSC, July 2004
Applause Award, MUSC, August 1999
MUSC Employee Suggestion Award ($50), 1994
State of South Carolina Employee Suggestion Award ($50), 1994

PROFESSIONAL EXPERIENCE

Associate Professor/Informationist, Academic Affairs Faculty, Medical University of South Carolina, July 2016 to present

Assistant Professor/Reference Librarian, Library Science and Informatics, Medical University of South Carolina, January 1985 to present

Director of Library, Skidaway Institute of Oceanography, Savannah, GA, 1983-1985

Senior Research Technician, Protein Engineering Lab and Information Specialist, Marine Biomedical Center, Duke University Marine Laboratory Marine Biomedical Center, Beaufort, NC 1978-1983

Chemical Technician, R/V Eastward, Duke University Marine Laboratory 1972-1978

Marine Mycology Culture Technician, University of North Carolina Institute of Marine Sciences, Morehead City, NC 1975-1978

Seafood Microbiology Technician, North Carolina State Seafood Laboratory, Morehead City, NC 1975-1978

PROFESSIONAL RESPONSIBILITIES

Reference Services

Teach and consult in use of library tools, reference materials, databases, indexes and abstracts, copyright, systematic review software, statistical and bibliographic management software
Answer daily reference queries posted to the Library Chat
Answer daily reference queries from the "Ask-a-Librarian" email box
Collect MUSC-authored publication citations for web database (~300/month)
Manage the SDI AutoAlerts service (started by M. Reinhardt)
Provide consults and literature searches for grant applications & renewals, RPPRs, setting up funding alerts, research and systematic reviews/meta-analyses
Work with faculty on NCBI non-compliance publications
Prepare course materials and teach classes, consults for students in any program
Liaison to IACUC (Institutional Animal Care and Use Committee) and ORSP (Office of Research and Sponsored Programs)
Animal Alternatives Grants, Reports and Protocol projects – search support
Liaison to researchers in all colleges and the hospital
Liaison to Cardiovascular Perfusion, Cytology, Rehabilitation Sciences Graduate Program and the College of Graduate Studies
Prepare seminars and talks on emerging informatics subjects for journal clubs or university wide groups, all colleges
Collection development and weeding
Conduct Library Orientation tours – virtual and in person
Contribute to Library announcements, alerts on the web pages
MUSC Library web design and monitor links on Library Web/LibGuides

Actively participate in journal clubs: Hollings Cancer Center and the Oral Health Sciences, Microbiology & Immunology, Developmental Cancer Therapeutics 2005-present
First back on scene after Hurricane Hugo, 1989, reported broken windows, leaks and organized book/journal-cleaning crew to prevent mold damage
Interim Director of the Interlibrary Loan Department for 5 months 1988

SPECIAL PROJECTS

Biostatistics (Biometry) Library Online Catalog: organized, cataloged and created database of all books, journals and theses in the MUSC DBESS Library (Cannon Bldg., 3rd floor)

"Stopping the Spread of Infection" TL Herbert 1999. Created PowerPoint presentation (a new technology!) for Dr. H.B. Othersen from notes/lecture for MUSC Library Web.

LATCH Service to Pediatric Surgery Division. (Literature Attached to Charts Delivery). 1985-1988

Interlibrary Loan Department as Interim Director 5 months 1988, caught up on all outstanding difficult requests.

COMMITTEES/PROFESSIONAL MEMBERSHIPS

MUSC Research Day member of organizing committee and created poster for keynote speaker 1998-present
MUSC Dental Scholars Research Day – judge 2020-present
MUSC Research Day, Chair of Judges Team 1998-present
College of Graduate Studies Council member 2013-present
MUSC Research Animal Users Group committee member 2009-present
Charleston Archives, Libraries and Museums Council on Preservation/Disaster Preparedness past president, past vice-president, past secretary, past treasurer, past committees chair 1988-present
MUSC President's Recycling Committee, Recycling Chair for Library (appointed by MUSC President's Office) 1992-present
Charleston Academic Library Consortium Staff Development Committee 1997-2000
   Consort Newsletter editor
RAPID Service. AHEC Information Services. Provided searches and classes on searching to AHEC Centers across SC. 1998-2000
CHEC Committee. Coordinated and published meetings list, and CHEC (Charleston Higher Education Council) Newsletter contributor. 1985-1990
BCR Committee. (Biomolecular Computing Resource) Newsletter writer/editor.; Bulletin Board advertising of resources
Healthy Gateway/Hands on Health Web. MUSC. Contributor
Friends of South Carolina Libraries Organization 1986-present
Friends of Charleston County Public Library Organization 1988-present
Patent Information Users Group (international) member 1987-1994
Southern Chapter/Medical Library Assn. member 1986-1994
ASKME Staff Training Committee (Active Seekers of Knowledge in Microcomputer Effectiveness) 1985-88
MUSC Library Web Design Committee MUSC Publications
Committee 1992-present
